Description

The Astondoa 82 GLX is a stunning example of European yacht building at its finest. Combining sleek design with powerful performance and luxurious comfort, this 82-foot flybridge motor yacht is built for long-range cruising, entertaining in style, and making every journey a pleasure. Spanish shipyard Astondoa is known for its meticulous craftsmanship, and the 82 GLX delivers on every level — from its spacious layout to high-end finishes, innovative tech, and powerful engine options.

Whether you're cruising the Mediterranean or island-hopping in the Caribbean, the 82 GLX offers everything you need for extended stays on the water, with generous accommodations, a fully equipped galley, advanced navigation, and top-tier amenities for guests and crew alike.
